Engineering Majors

HOW TO APPLY

- Complete the ApplyTexas or the Common App applications (only submit one of these applications).
- Select the Cockrell School of Engineering as your first-choice school to be considered for admission to any of the 11 majors. You can also apply to a second-choice major in engineering.
- Submit all parts of the application, including optional essays and test scores.
- Show Calculus Readiness by submitting proof by December 1 (accepted documents available on our website).

WITH YOUR APPLICATION, WE RECOMMEND:

- Submit your Housing Application.
- Submit your FAFSA.
- Check the box to be considered for an Engineering Honors Merit-Based Scholarship.
