

## UT Austin Engineering - Fall 2023 Interview Calendar

**Reservations for interview rooms on September 19 or later can be requested up to one year in advance.** Keep resume submission and selection deadlines in mind when scheduling your interviews. **ECAC does not extend resume submission or selection deadlines. This is a firm policy.**

### Fall Expo:

If you are attending the Fall Engineering Expo and need applicants to submit resumes through our online system, it is best to select an interview date that has a resume submission deadline after the career fair.

If your team will be participating in next-day interviews following our Fall Engineering Expo, please be mindful that **interview room reservations will be room only (no preselect schedules) with a room limit cap of 2 rooms per employer organization to ensure we can accommodate all interested employers.**

Reservation requests are processed on a first-come, first-served basis. To request interview rooms, email the recruiting team at [hireutengineers@engr.utexas.edu](mailto:hireutengineers@engr.utexas.edu) or request them through the [ECAC System](#).
