

UT Austin Engineering - Fall 2021 Interview Calendar

Reservations for interview rooms on September 20 or later can be requested one year in advance. Keep resume submission and selection deadlines in mind when scheduling your interviews. **ECAC does not extend resume submission or selection deadlines. This is a firm policy.** If you are attending the Fall Engineering Expo (Virtual) and need applicants to submit resumes through our online system, it is best to select an interview date that has a resume submission deadline after the career fair. **Please note that in-person events are dependent on the changing circumstances related to COVID-19.** ECAC is working to have in-person events as soon as it is possible to do so safely and equitably.

Reservation requests are processed on a first-come, first-served basis. To request interview rooms email the recruiting team at hireutengineers@engr.utexas.edu or request them through the [ECAC System](#).
