The University of Texas at Austin
Engineering Career Assistance Center
Cockrell School of Engineering

Thank you for your interest in recruiting UT Austin engineering students!

This interview calendar is a tool for recruiters to schedule and manage on-campus interviews for students seeking internship, co-op, or full-time opportunities. This tool provides an organized schedule of available interview weeks and important dates to consider for efficient management of interview schedules.

There are two main interview schedule types:

- **Pre-select** schedules allow recruiters to automate posting your job, receiving candidates' resumes for review, selecting candidates to interview, and scheduling interviews. **The Pre-select schedule follows the interview calendar timeline on the second page, including all strict deadlines.**

- **Room only** schedules allow recruiters to have the flexibility to create individual interview schedules and reach out directly to their preferred candidates. This schedule type solely reserves an interview room for your team. Your team will manage all other logistics in coordinating your on-campus interviews.

ENGINEERING EXPOS:

If you are attending the Spring Engineering Expo and need students to apply through our online system, it is best to select an interview date that has an application period after the career fair.

RESERVING NEXT DAY INTERVIEW ROOMS (January 29 – January 31st only):
» Available upon opening of Spring Engineering Expo 2025 registration.
» Limit of 2 rooms per employer.
» Employer must be registered for the career fair.
» Canceling your career fair registration leads to cancelation of reserved interview rooms for January 29th – January 31st.

> **Adhering to the interview calendar timeline is crucial to ensure a smooth and efficient recruiting process.**

Please aim to meet deadlines for extending job offers and finalizing hiring decisions. You may refer to our Policies and Guidelines for detailed information.

It is important to keep student application periods and selection deadlines (please see full timeline and deadlines in the calendar below) in mind when scheduling your interview dates, as **ECAC does not extend interview schedule deadlines. This is a <u>firm</u> policy.**

IMPORTANT DATES	
First Class Day	January 13
Martin Luther King Jr. Day	January 20 (UT closed)
Spring Expo 2025	January 28
Spring Break (no interviews all week)	March 17 – 21
